

LOPA DONOR QUILT

III

DONOR FAMILY MEMORIAL QUILT

The Louisiana Organ Procurement Agency is pleased to honor the memory of all individuals whose families consented to organ and tissue donation. We invite all interested families to participate by submitting a completed square for the Donor Family Memorial Quilt.

Our long-term intent is to create a permanent visual memorial to those individuals who were willing to give such wonderful gifts to help others. In addition to honoring those who chose to give, we plan to use the quilt to increase public awareness of the need for organ and tissue donors by displaying the quilt at school and community presentations, and health fairs.

Please know that anyone can submit a square on behalf of a donor, it need not be the donor's most immediate relative. The attached page provides guidelines for completing a square.

If you have any questions, please call Sally Gentry or Margot Stouse at 1-800-521-GIVE (4483).
